

IALMS NEWSLETTER – December 2023

Dear Members of the IALMS family,

One year has passed since our last letter, and we hope you and your families are in good health and everything is going well. We met with some of you in Bali during the magnificent conference organized by our great Indonesian friends. Prof. Cheng has drawn up a complete report, which you can find as an Editorial in the latest issue of our journal "LASER THERAPY."

During these months, we have continued to work, primarily on this, which is the official journal of IALMS, ISLSMS, APALMS, and IPTA and which has seen the light again under our guidance and with your tireless contribution after years of silence during the terrible pandemic.

Laser Therapy

International Journal of Laser PhotoBioModulation, Biophotonics and Surgery

The new cover of “LASER THERAPY”

Under our new management, we already published two issues last year and two this year, and the papers have maintained the scientific value and quality of those of previous years.

You can consult them at:

<https://www.lasertherapyjournal.com/ltj/issue/archive>

Now more than ever, we need your help to continue moving forward; keep in mind that, for a short time, the only contribution we ask for in submitting a manuscript is to register with IALMS. But our work continued.

Thanks to the effort of Prof. Longo, we have started a partnership with 5CC, which will enlarge our visibility and involve our Academy in a significant international dimension.

16th 5CC World Congress June 13 - 16, CCL - Centro de Congressos de Lisboa (Portugal)

“The **5CC** has a long and rich history as being an all-inclusive dermatology and aesthetic medicine conference – along with having truly one of the most outstanding faculties seen in global meetings. We pride ourselves on the quality of the faculty each year and how attendees have access to these first-class speakers.”

(Dr. Michael H. Gold, Congress President)

The boutique international conference on medical dermatology injectables for aesthetic & medical use, cosmetic & aesthetic energy-based systems, aesthetic gynecology, practice management & digital marketing.

After **#5CC2024**, enjoy unlimited and free access to most of the content from the conference, such as 200+ hours of presentations, video material of training courses and live treatments, and abstracts on [5CC ON AIR](#).

More information at <https://www.5-cc.com/en/2024/home/>
Registration-page at <https://logi-vent.congress-registration.com/index.php?ev=19>

Next World Congress held in Lisboa, June 2024, *offers a series of benefits and discounts for the IALMS member who paid the annual fee 2024.*

Please renew the IALMS subscription for 2024, either online or by bank transfer. The fee is the same as the year 2000!

<https://www.ialms.international>

During the meeting in Bali, the locations of the next Congresses were decided: APALMS will be in Taipei in 2024, while ISLMS will be in Florence in 2025, joint to Laser Florence Congress.

The Congress dinner in Bali, June 2023

However, through the work of its exponents, IALMS has been at the center of many initiatives carried out in the last year. Prof Longo participated as an invited speaker to a Stage organized by the SME, directed by Prof Giuseppe Sito, in Turin in December 2023, about the complications of laser use in Aesthetic Medicine and their treatment.

Prof. Giuseppe Sito, President of the SME

Group of Surgeons and Dermatologists

A delegation of Ukrainian Medical Doctors was sent to Florence to see in practice the possible use of laser photobiomodulation and surgery in the treatment of the soldiers and the people who crashed during the war.

Ukrainian Surgeon and Researcher who visited Florence IALMS Center

Prof. Fornaini continued his scientific and teaching activity at hospitals and universities in the People's Republic of China, promoting the diffusion of laser technology in the dental field.

Prof. Fornaini at Shijiazhuang Second Hospital, Hebei province.

To proceed with our initiatives, further grow IALMS, and continue the work started with "LASER THERAPY," we need your concrete help.

Therefore, we ask you to renew again your membership to the Academy via the website <https://www.ialms.international>, to participate in our scientific congresses and meetings, and to serve "LASER THERAPY" by submitting your papers and contributing as reviewers.

Please find here the dedicated coupon code for IALMS members to benefit from the special discount (*discount is valid until April 30, 2024*): **IALMS2024**

To benefit from the discount, your members should select MEMBER RATE - Full Conference Pass and enter the Coupon Code.

Early Bird until February 10, 2024!
